ThreeBond Super Engine Conditioner

Able to clean up the dirty fuel injector, intake valves and combustion chamber, without dismantling the throttle body, injector and combustion chamber. As a result, Super Engine Conditioner can satisfy motorists in restoring lost power and acceleration, and reduces exhaust emission.

**Usual Price S\$80
NOW S\$60!**

You can now power up your engine with the *ThreeBond Super Engine Conditioner* at a special price of **S\$60**, when you purchase any **4 pieces of tyres!**
